

Other ways to say...

desolate

Feeling completely alone in your sadness, as if in an empty, barren place with no comfort

devastated

Completely broken with sadness, when something happens that ruins everything

heartbroken

Feeling sadness that hurts inside your chest from losing someone or something you love

anguished

Feeling both extreme sadness and pain at the same time, making you want to cry out

“very sad”

despondent

So sad that you've lost all hope and can't see anything positive ahead

melancholy

A quiet, thoughtful kind of sadness that can sometimes feel almost peaceful

forlorn

Feeling abandoned, lonely, and sad all at once, like you've been left behind

grief-stricken

Overwhelmed by intense sadness, usually after someone dies or after a major loss

devastated

Completely broken with sadness, when something happens that ruins everything
